487 destinations, 1000 routes, 140000 flights

Did you know that under the codes H1 and X1, you'll find 1,000 additional routes between 487 destinations that would not be in your GDS without Hahn Air? That's 140,000 additional flights to offer to your customers. With our latest partner, SKYhigh Dominicana, the number of partners available under the codes H1 or X1 has just reached 100.

Take advantage of finding and booking these additional flights at no extra cost for you!

New on HR-169

Hahn Air's Dual Partner **SKYhigh Dominicana** is based in Santo Domingo (SDQ), the Dominican Republic. SKYhigh Dominicana operates scheduled flights in the Caribbean and its route network currently includes 20 destinations in 15 countries.

SKYhigh Dominicana is available in GDSs under its own DO code as well as under the X1 code.

The best Gate Runner is…

Hundreds of agents tried their luck with Hahn Air's game Gate Runner in September, but only three could win a fantastic prize in our draw.

Here they are:

1st prize (electric scooter) - Elver from Servivuelo en Madrid
2nd prize (a stand-up paddle board) - Nga Do from Hong Ngoc Ha Joint Stock Company in Ho Chi Minh City
3rd prize (a pop-up tent) - Vivian from Teresa Perez Tours in Sao Paolo

Congratulations to these winners as well as the seven beneficiaries who receive a sponsorship in our **We-Love-Our-Partners Forest**.

Welcoming the 100th partner

We are celebrating a milestone: 100 H1-Air and X1-Air partners in GDSs worldwide. That's 140,000 additional flights operated by low-cost airlines like fastjet, regional airlines like TAR or innovative start-ups like Aerus that would not be in GDSs otherwise.

All 100 H1-Air and X1-Air partners, available under the H1 code of our sister company Hahn Air Systems or under the X1 code of our sister company Hahn Air Technologies, can be booked via your standard reservation process and issued on Hahn Air's HR-169 ticket.

Here's to our 100 partners and your growing ticketing opportunities!
