

## Introducing Scoot's New Agency Booking Portal

**Dear Valued Agency Partners,**

We're excited to officially announce the launch of Scoot's brand-new [Agency Booking Portal](#), which will provide an improved booking experience for travel agents. The new site allows agents to make FIT bookings, pay and manage bookings directly on TR channels, driving efficiency and faster turnarounds. The new booking portal will fully replace SkyAgent by end-2023 and it is essential for agents to begin familiarizing and start ticketing via our new [Agency Booking Portal](#).

### **Features available**

- Simplified booking flow for quick quotations, including ancillary products - Baggage, Meal
- Overview Calendar - Highlighting lowest price each day within the month for comparison
- Agency Booking Summary Page - To view, manage and modify Hold Bookings
- Enhanced User-Interface
- Input Promo Code
- Input KrisFlyer membership number
- Trip Type, Passenger and Flight Details enhancements

### **Upcoming features currently in development (*unavailable*)**

- Seat Selection
- Manage-My-Booking

### **How to access the new Agency Booking Portal**

- Click on the following link: <https://agencyhub.flyscoot.com/>
- Log in with your existing account credentials
- User Guide can be viewed [here](#)

Please send any feedback to [sales@flyscoot.com]sales@flyscoot.com

Thank you for being part of this exciting phase in Scoot's journey.

Should you have any further questions, do contact your respective Account Manager. Thank you for your attention & dissemination to all concern. We wish you a fruitful selling.
